SPEED SURVEY DATA

Swindon Borough Council have provided the results of the traffic speed survey conducted in the village from 15 May 2021. Unfortunately the southern counter malfunctioned, but the data it did capture is consistent with the other two. These reliably show that mean speeds were under 24mph. This qualifies under SBC policy for consideration of a 20mph limit with signs only. The Parish Council will be requesting SBC to take the next step towards this.

Trenchard Road (North)			
	Daily Average Speeds		Daily Vehicle Flows (7-day average)
	85th %ile Speeds (mph)	Mean Speeds (mph)	
Northbound	25.5	21.3	281
Southbound	26.1	21.5	263
Combined	25.8	21.4	544

Trenchard Road (Central)			
	Daily Average Speeds		Daily Vehicle Flows (7-day average)
	85th %ile Speeds (mph)	Mean Speeds (mph)	
Northbound	29.0	23.6	317
Southbound	25.3	20.4	293
Combined	27.2	22.0	610

Trenchard Road (South)			
	Daily Average Speeds		Daily Vehicle Flows (7-day average)
	85th %ile Speeds (mph)	Mean Speeds (mph)	
Northbound	21.4	18.3	154
Southbound	32.4	22.5	17
Combined	22.8	20.4	171
